

# MAKING SPIRITS BRIGHT WITH ENERGY EFFICIENT LIGHTS

Make your holidays shine bright with energy efficient LED holiday lights. LEDs can last up to 4 years and use 90% less energy than traditional lights.

**NOVEMBER 1 - DECEMBER 31**

- **Bring in 3 pantry items and get 1 strand of LED holiday lights. Maximum 2 strands per household while supplies last (6 pantry items).**
- Bring in your old holiday lights to recycle, too!
- Items must be non-expired & non-perishable for donation to the New London Community Cupboard.
- Must be a New London Utilities customer with a good standing account.

Lights and donations can be brought to the utility office, located at 400 E. North Water Street, Monday – Friday from 8:00 am – 4:30 pm.

---

**\*\* BONUS \*\***

**Sign up for automatic payments and receive a 60W equivalent LED Light. While supplies last.**

---

At New London Utilities, we join forces with other local not-for-profit utilities through WPPI Energy to share resources and lower costs.
